

Colorado Western Slope College Fair Parking Logistics for High School Students

High School Student Parking:

Parking will be available at the Buttermilk Ski Resort, which is located on Highway 82, just east of the Aspen Airport. Free school bus shuttles will be provided every 10 minutes to take you to Aspen High School, and to return you to your car after the Fair. Shuttle buses will run continuously throughout the day.

Please note that parking is extremely limited on the school campus. Do not park on Maroon Creek Road (which leads up to the schools) as you will be ticketed and possibly towed. Parking will not be available at the Aspen Recreation Center (ARC) across the street from Aspen High School.

Thank you.
